1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

2011-271-E

I am a customer of Duke Power.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I do protest this increase requested by Duke Power. If they posted \$400 million profits in the second quarter I feel they do not need an increase in our power bill each month. Most people did not even get a Cost of Living increase this year, or even a raise (if they have a job) . Times are hard for everyone and if Duke Power is showing that much of a profit, they do not need and increase.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
